The mission of Hands of Hope is to provide essential food, supplies, and services to empower individuals and families in need, fostering hope and independence.

About

Hands of Hope is excited to announce that the Fountain of Hope gala is April 18, 2026 from 7pm-11pm at the Morganton Community House.

As we launch our very first gala to support the beginning of Hands of Hope's journey. This special night will raise critical funds to establish our nonprofit organization, with a primary focus on providing distribution services to individuals and families in need throughout our community and those still recovering from Hurricane Helene.

Our commitment is to ensure every person has access to essential resources, services, and support. Proceeds from the gala will help us open a distribution center, continue supporting our community, and offer vital community services including financial coaching, legal aid, government application assistance, and more.

Join us for an evening of fun, inspiration, and impact as we come together to bring hope to those who need it most. We can't wait to celebrate with you!
